**DECISION VACATING
OFFICE ACTION**

This application is before the Director of Technology Center 3700. A review of the prosecution history indicates that a Notice of Allowance and Fee(s) Due was mailed to the correspondence address of record on May 3, 2005. There is no record in the file history that the issue fee was timely submitted within the three-month statutory period set forth in the Notice of Allowance and Fee(s) Due. Therefore, the application is abandoned by statute for failure to timely pay the issue fee.

The PALM records indicate that a "corrected notice of allowance" was generated on December 8, 2005. This decision vacates the "corrected notice of allowance" of December 8, 2005 *sua sponte* under 37 CFR 1.181.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision, 37 CFR 1.181(f). No extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.181." Alternatively, petitioners may wish to consider filing a petition to revive under 37 CFR 1.137. The rules and MPEP sections cited may be found on the USPTO website at: www.uspto.gov.
